The Lady:

The new ultra-sleek Lady Victoria, Vic has been on a gym and health kick for the last few months and the results are there for us all to enjoy.

The Story:

This was a threesome with Vic and my girlfriend, my girlfriend was a tad nervous so for starters I was tied and cuffed to chair whilst the girls go to know each other. This was rather enjoyable to say the least watching Vic go down on my girlfriend whilst I sported a hardon that could be classed as an offensive weapon.

The girls then came over to me and took turns blowing me and sucking my balls with me powerless to do anything. I was then uncuffed and the frolics began, highlights included being blown and rimmed at same time by the girls, doing Vic anally whilst she went down on my girlfriend, using the 'Glistening Black' vibe from Ann Summers on both girls (buy it, it is amazing) whilst I went down on them and then the finale in front of the mirrors which was a double header blowjob finishing over both their faces as they snogged and swapped my cum and licked my jizz off each others faces, (getting a semi at the memory).

Vic was great and very patient and willing with us as it was our first threesome but it certainly wont be our last.
