### The Premises:

Average Hotel near the Dartford Bridge, well used by escorts. Safe area, Hotel rooms are small with ensuite but functional.

### The Lady:

Laura's profile on AW is quite representative of what she offers, the stats are accurate, however the pictures are misleading, she is bigger than they suggest and older. Probably size 12, 5'6", 36C/D, pretty, wearing an odd dress, very unsexy.

### The Story:

Arrived in Hotel carpark and called Laura. I followed directions to the entrance, here you don't go through reception, but it required a pass card, so rang and was told to go around the front of the hotel and Laura dropped the card to me! To room and nice atmosphere with candles. Little disappointed with what she was wearing. Asked for a sexy massage & hand job. Stripped off and Laura applied oils and gave an excellent massage. Then she stripped off and I turned over to see a wonderful sexy body with excellent tits. The massage of my balls and cock became more and more a turn on until I was almost bursting. I asked for oral and Laura started sucking my cock in a delightful way. I was near the edge and finally came over her tits, an excellent orgasm. Might try full service next time. Recommended.
