The Premises:

The premises are located on a quiet road near to the centre of Harrow on the hill. Ample parking available close-by. Area seems very safe.

The Lady:

Nisha is a stunning petite asian girl with a sexy smile. Though she has a small figure, she is busty. She has a light complexion and brown shoulder length hair.

The Story:

She came into the room dressed in sexy lacey underwear, which she removed before laying on the bed. I began by kissing around her neck while my hand was between her legs. After moving to her tits I ended up between her legs. She was clean shaven and her pussy smelt fresh and was tasting only of her. After performing oral on her for around 15 mins, she rubbered me up and we began the sex part. She has a beautiful smooth small bum, so I decided with doggy. From the way she moved her bum onto my cock, I knew I won't last long. So changed to mish. I grabbed hold of her tiny frame and worked hard on her. She seemed very into it. Before long I had finished. She very elegantly cleaned me up while we spent some time chatting. A very enjoyable time spent with a beautiful, energetic girl. Felt proper GFE.
