The Story:

I took a shower and met her in her bedroom, She slowly undressed, revealing a thin, sexy body with a nice tan, super-nice tits, a cute patch of hair on her otherwise shaved pussy, and a nice ass. She removed my clothes. I was amazed by how soft her skin is. The attention got both of us revved up, and eventually she pushed me down to the bed, kissed all the way down to my cock, and starting licking and sucking until I got hard. She rubbed my cock between her breasts, and that felt great. At my request, she moved up to my face to ride my tongue. Her expressions and the view of her tits from the bottom got me really horny. She grabbed a cover and lowered herself on me, just enough so that the tip of my cock was in her pussy. She asked me how it felt - unbelievable!

We continued in reverse missionary for a while, enjoying the view of her ass in the mirror. We adjusted positions a bit for naughtier views. Switched to missionary and increased the tempo until I came. I laid on top of her while she caressed me, enjoying each other's company while cooling down.

We chatted for a while, I took a shower, kissed her goodbye. Suzy is an beautiful woman with a wicked sense of humour and an endearing personality. More importantly, the chemistry was great and I would definitely see her again.
