The Story:

Second visit in just over a week and it just kept on getting better.. she got me a cold beer and she drank one too... she's a lovely kisser; in all very sensual person I thought... she speaks english well and holds a decent conversation... and when she wasn't talking... man, we did a lot.. shared shower.. much pleasuring each other.. we had some pretty damn good sex .. every which way you can - she was very attentive and great fun, so much so I extended for half an hour, which was well worth it. After another shared shower I staggered down the stairs into the night in a bit of a daze!
