The Lady:

Tall slim mixed race lady, bout 20 years old, bout a size 8, long flowing black hair, beautiful eyes and very well presented in nice lingerie.

She is a student, so only has limited availability.

The Story:

Nice chit chat, as we got undressed.

Kimi offered a massage, I wasn't that bothered so Kimi pounced on me as I lay on the bed. She was covering my face and neck with sensuous passionate kisses and intermittently ramming her tongue into my mouth!. She really is a hot lady.

After plenty of groping and exploring of each others bodies, Kimi found my cock and wanked him to a level of stiffness I don't think I known since I was about 14!. That was it then, straight down the bed for Kimi to deliver some glorious OWO, whilst maintaining good eye contact throughout.

Kimi looked up, and asked if i'd fuck her..... whats a guy to say eh?

Kimi applied the rubber, and slowly lowered herself onto my still raging member. Kimi was clearly loving this as my cock was sliding in and out wonderfully, and my genital area was becoming fairly wet with all her lovely juices flowing from her pussy. Kimi would lean over whilst still riding me to indulge in some very passionate kissing and groping, whilst ensuring she was still sliding along my pole.

We continued like this for the rest of our time together, changing positions a few times. Kimi still being incredibly wet, and none stop passionate kissing. We even indulged in some serious dirty talk - which I think she found quite horny.

As the inevitable conclusion drew closer, I pulled Kimi towards me with her legs high over my shoulders and pounded her sopping pussy for all I was worth - whilst telling her I was going to fill her with my cum. This seemed to genuinely arouse her, and as I came inside her she pulled me in tight and physically shuddered as I thrust my seed to the end of the bag.

Glorious, exotic type lady, with a fantastic attitude and makes you feel 12 feet tall as you walk out of the premesis.
