The Premises:

Lovely clean flat which provided a warm, calm, restful environment for all the shenanigans. All that was lacking was a large mirror in front of the bed.

The Lady:

Super sultry, sexy, sophisticated siren. A lot taller than appears in the pictures but I did ask her to wear some vertiginous heels and along with a very sexy dress she didn't disappoint. Breath taking.

The Story:

My experience with Alexis was on a totally different level. We really hit it off personally and events just sort of unfolded almost naturally.

I don't recall all the details except there was seamless transition from chatting to kissing to full on sex. It was a hedonistic GFE on another , I think we finished with doggy over the table. Sheer bliss.

If there was ever an escort I have to see again its Alexis. She is totally captivating both physically and mentally. Rumour has it she purveys a fine line in dirty talk, I didn't get to experience (or maybe I just missed it) but for sure I will be back to sample.
