The Story:

After taking the envelope she came in my arms and we started kissing and wow what a kisser Deep french and she took her things off and we were on bed kissing and my hand playing with her boobs. She has must loveable and suckable boobs and I enjoyed kissing them,I slowly went down and found a beautiful p---y and I had my dinner (DATY) to my mouth full. I took off my thing and she got on her knees and took it in her mouth and what a OWO she made me cum and swallowed every drop of my cum. After a long time I found someone who gives a good head and swallows.I will surely visit her again.Thanks Heather for making me a happy man.
