### The Premises:

Nice house in a pleasant location. Easy to find with safe on street parking on a fairly busy well lit road. The house was clean, as was the room I was taken to, and thankfully nice and warm on what was a very chilly evening.

### The Lady:

Describes herself as 5'6" size 12 with 36"DD boobs, which I would say is accurate. Probably aged around mid 30s with fairly long brown hair. All in all a nice body with a very pretty face.

### The Story:

Was greeted with a friendly smile and taken to the living room, we got the formalities out of the way, and had a short chat to establish what I liked. Found her to be very friendly and easy to talk to, and she put me at ease very quickly. Was then invited to go to her room and followed her upstairs, watching a gorgeous wiggle of her bum as we climbed the stairs. She was already getting me aroused. Stripped off and straight on the bed, where she joined me naked. She has lovely smooth skin, and is really nice at kissing. The passion was rising quickly between both of us and it wasn't long before she had my cock in her mouth. She is building a good reputation for her BJ skills, and I have to say she has a brilliant technique. She makes your cock soaken wet, and then proceeds to give an absolutely brilliant sloopy deepthroat. Right down to the balls, no problem. After a few minutes of her oral skills I could feel myself getting close and so could Charlie. She offered to leave it alone for a while as I still had 45 minutes left. She came back up for some more kissing and nibbling and I went down on her. She has a lovely shaved pussy which was already really wet. Not sure if she orgasmed or not, but she certainly made all the right noises and seemed to be right into it. Then she was back down on me again and straight down her throat. She likes to give you eye contact while she's sucking on you, and at this stage I just had to cum. It's rare that I have actual sex with a girl, but knew I didnt want to spend the rest of my appointment just talking so after 10 minutes of chat she went down again, and got me really hard in no time. Then on with Johnny condom and on top she got. This was when I noticed how really tight her pussy is. She must really work at it and was soaken wet. It was a lovely sight watching her bouncing up and down on top of me while I played with her gorgeous natural tits. She has really hard large nipples and the room wasn't cold so she must have been liking it. After a while I got her into missionary position and away we went. She talks really filthy, which I had mentioned I liked, and after a while I could feel I was going to hit the jackpot for a second time. I filled the condom and lay back exhausted. When I

looked at the clock I realised I had cum twice in about 45 minutes. Amazing for me, being the wrong side of 50. We chatted a while and didn't feel rushed at all. I found Charlie to be very sexy and raunchy, with oral skills to die for. Yet very friendly and easy to talk to when she's not interfering with you and getting you going. An excellent experience and certainly one I will be going back to.
