The Premises:

very nice discreet hotel in Queensway area. Very safe but a good 10 - 15 mins walk from tube station.

The Lady:

Very nice looking skinny girl exactly as her pics on Maxes website. A little smaller than I imagined but she was lovely looking,

The Story:

I had wanted to see Jenna but she was fully booked till 1:30 am. I didn't want to wait around that long so fancied Serena (lovely dark skinned) girl who I have really started to fancy badly over the last year or so.

She was very friendly a little professional but I enjoyed her time , company and service. Ask oral with or without ? Is the Pope catholic ? without please and she proceeded to give really good enjoyable head and put on a cold gel whilst rubbing the balls. I wasn't going to last long and soon erupted in her mouth (a good weeks worth) she showed me and swallowed like a good girl.

Strange no touching her nipples (too sensitive) or arse (didn't like it) !

Good to talk to and obviously good at head I enjoyed her.

Round 2 was more of the same as per round 1 except this time she used a bit of hand relief at my request, it worked and I popped it in her mouth for another cum. That was swallowed effortlessly without showing me (she said it wasn't as much) ! I liked her and would definitely see her again when next in London, the hour flew by. A good punt all in all, well worth the money.

I hope she doesn't work too much , too long and burn herself out as I think she is still a lovely experience.
