The Premises:

Working out of a budget hotel. The heating could of been turned up a notch or two. The hotel is in safe residential area. I do believe she is looking to work from a flat in the future.

The Lady:

Her 'purple' profile description is very close to to the truth. Mariann is 5'8" tall, with as a shapley figure. Blonde, natural, not so sure. Gorgeous eyes, lovely nose, teeth & sexy smile. Her soft milky skin is so welcome from those orange sun bed queens. Well proportioned fake breasts. Perfect lips, not to big, not to small.

English is her second language, spoken better than writtern.

The Story:

When I set eyes on Mariann I knew it was going to be an hour of pure pleasure, her height, blonde hair & sexy smile sealed it for me. As did her jumper, I find women in V knocks so sexy.

We kissed, kissed & kissed some more, as I pushed her up against the wall. I discovered her neck is sensitive to lite kissing.

I moved down to between her legs paying attention with my tongue through her thong. Her labia was a pleasure to tease & her love juice tasted sweet. I'd like to think I pleased her, & don't believe she was acting.

Mariann reciprocated with fine owo skills, before donning a cover & jumping on top. Suffice to say with this beauty bouncing on top, her eyes, smile, breasts were too much & I was so weak. Strangely I felt guilty as I'm sure Mariann wanted a long hard session! After I arrived she stayed on top & was not quick to jump off which I appreciated.

We lay chatting before my time was coming to an end & I managed to convince Mariann to dress me which was rather comical.

Mariann is a dream GFE & I'm sure a PSE would be available givern return visits.
