The Premises:

On the main road up a flight of stairs. Dark reception area and room was the same with a small bed/massage table and plenty of mirrors.

The Lady:

About 5ft 4in no taller brunette hair with a size 6/8 body I think. She had nice boobs about 30/32b/c which suited her frame with perky nipples which grew erect during the session. Just to point out Larissa said she was spanish and although she spoke good english I'm not too sure she is spanish but it wasn't a problem as she is a pleasant girl.

The Story:

It was a basic service a massage was offered and I opted for just my front doing. Not much of a massage and no gfe but today I wasn't bothered. She gave me oral with then we had sex in various positions followed by her finishing me off by hand at my request. A good session and service provided by her and would see her again.
