Really nice apartment in Glasgow City Centre. Safe area and very discreet.

The Lady:

Lucy is totally stunning and has a terrific toned body. A few very tasteful tatoos, all of which mean something personal to her

The Story:

I was immediately comfortable with Lucy who has a great personality, is very intelligent and easy to talk to. After a bit of a chat we started off with some really nice DFK followed by some RO and I explored Lucy's pussy with my tongue and fingers - it tasted great and I was thrilled to feel it getting wetter and wetter. Next we swapped positions and I was treated to some excellent OWO which Lucy clearly enjoys doing - much to the delight of my stiffening cock. The very welcome assault on my cock continued and Lucy got it lubed up with her saliva. By now I was really horny and asked if we could fuck. On went the rubber and I got to fuck Lucy's incredibly tight pussy which was much tighter than anything I've had recently evidenced by the fact that I was shooting my load less than two minutes later! We had a bit more of a chat followed by some more DFK before I headed on my way.

Guys I can unreservedly recommend Lucy, not just because of her stunning good looks and personality but also because she genuinely enjoys her job and is committed to ensuring you have a good time.
