The Story:

This was my second time and hopefully not my last with gorgeous Angelica. Her name really does describe the whole experience ? gorgeous. Angelica is young and has a beautiful face and body. Angelica opened the door wearing a figure-hugging dress which showed off her curves, and stockings (a favourite of mine). Angelica is very natural, thoughtful and immediately puts you at ease. I was offered an assortment of drinks and a shower. After the shower we talked very comfortably and began to kiss.

What sets Angelica apart from all the others is her enthusiasm and emotion during your time spent with her. There is plenty of eye contact and you really feel she is enjoying the encounter and you leave with a real warm feeling because of it.
