The Premises:

This was my second visit to this address which is near Lewisham station. It is ok, despite the shabby entrance.

The Lady:

A Hispanic girl, maybe late 20's early thirties with a nice curvy figure, perhaps a dress size 10.

The Story:

Again, a choice of girls and they were all very tempting. Samira, who I saw last time was there and who again looked very tempting. I was led upstairs to a room which was very sparse, but clean. The session consisted of covered oral, followed by sex in the doggy position and to finish, a slow hand job.
