### The Lady:

Photo's on the web site: <http://www.manchestermassageretreat.co.uk/Girls.php?GNAME=Roxy> are accurate. Roxy is in her late 20's, slim with small (but gorgeous) boobs and long black hair. She sports a range of tattoos which don't do anything for me but strangely don't detract from her at all.

### The Story:

Well, I had a succession of lousy punts recently, so bad I've just put them behind me - sorry I should have put in FR's! I was in Manchester for a couple of days and having spent a pleasant 1/2 hour with Roxy some months back, thought I'd treat myself to a good time with a lovely lady.

Roxy is very chatty and down to earth so during the massage I asked her about extras and she said she did anal (?30) and OWO (?10) on top of the ?80/hr parlour fee. It's more than I usually spend but then I wanted a treat. My only disappointment is that Roxy doesn't kiss. She started OWO which was excellent, I then returned the favour, vigorously fingering her tight pussy whilst tonguing her clit. She then went back to OWO but positioned herself so that I could finger her bum. Wow, that was tight. So tight that I laughed and said there was no way she was going to get my cock in there. She stopped slurping long enough to say "put another finger in", which I of course did. After a few minutes stretching exercises, I was ready so she positioned herself and guided me in. We needed a fair bit of lube, some poppers and a few attempts but we finally got there. I was expecting Roxy to complain a bit but at no point did she. We took it nice and slow but really deep. Roxy wriggled around while I had the time of my life. After a while, we changed around and I sat on the edge of the bed while she lowered herself on to me. This way, she could control the tempo and I was amazed at how she was soon pounding her ass onto my cock. She fucked me far harder and faster than I would have dared do to her! What a girl!!! Reaching around to tweak her lovely nipples and play with her pussy, I found that she was soaking wet. She clearly was enjoying this as much as me. After quite some time, we were both getting sweaty so I asked her to finish me off with some more OWO: I came harder than I have for months if not years :-)

Afterwards, we had a shower and continued to chat. Roxy said that she's thinking of giving up and getting a "proper job" as she's just not making enough working the one day a week she does. She's also got a new beau (lucky fellow) and he wants her to quit. SO: If you want an amazing time with a beautiful, friendly and filthy woman, get along to the Retreat before it's too late. There are far too few working girls like Roxy around.
