### The Premises:

Her place is clean safe and easy to get to. The play room is arrange with a number of options for fun. The only downside is a small (single person) shower so no bath fun or shared shower.

### The Lady:

Maylo is just like her pictures, a very pretty face and a sexy body

### The Story:

Maylo is a courtesan, she is an adult entertainment experience. She is very funny, knows lots of tricks and has amazing muscle control. She makes all the right noises and knows where the buttons are and when to push them. I'd not call her either a GFE or a PSE, its the Maylo experience. I suspect its best to just let her take the lead and enjoy the show, you will enjoy the show and you will have a big smile and weak legs afterwards
