The Premises:

Nice area close to Bond Street tube, a good clean, safe flat with a good sized play room with some furniture for variety. There is no bath, but a shower big enough for two works for bathing and (careful) playing

The Lady:

Valentina is like her pictures, but the poses and serious expression are not her normal self. She has a wonderful smile and she smiles a lot and she's full of fun and energy, pictures have their limitations.

The Story:

Valentina is smart, speaks english well enough to hold a conversation, amazing since she's only been here a short time, and has a friendly, warm, happy personality. She knows whats expected of her and her skills were good, and will get better. However, what stands out for me was her wonderful approach to the meeting. For me Valentina was close to the ultimate GFE, only a very naughty one. I tried to treat her well, make it fun for her and she was happy to do anything I wanted, and made me feel like we friends and lovers exploring our mutual pleasure. Every lady is different, but treat her well and Valentina will make the time special.
