The Premises:

Zara's apartment was very nice, clean and very grand! Parking is nice and anonymous at the local supermarket however the entrance to the building is on a busy road.

The Lady:

Zara is very pretty with long black hair and a very toned body. For me her best feature was her boobs which are amazing!

The Story:

I went for the covered oral and massage as this was all Zara was offering when I visited. It was a very pleasant surprise when she opened the door and first impressions were good however I did feel the service lacked enthusiasm. My biggest frustration was that despite having an awesome body she kept it far too hidden! She did eventually go topless when it looked like it wouldn't be a 'happy ending' without it but she kept her shorts on for the entire time. That said she's now offering a full service so maybe she gets a little more naked in that!
