The Premises:

Same area of Milton Keynes - never had any problems and always feel safe and discreet. Room was up to the usual high standards.

The Lady:

As per her photos and description. Great full lips, curves in all the right places with nice flat abs. Stockings and nice heels. Couldn't ask for more.

The Story:

This was the first time I'd seen Emily and had a really great time. She is genuine and flirty, really seems to love her work. Started out with lots of dfk and undressing each other. owo was out of this world, ro - wow could have spent all day there, ending with cim. Some nice relaxed chatting and a massage whilst I recovered then fucked in a few different positions. Not rushed at all and lots of kissing throughout. Perfect.

This is the first time I've taken the time to register and write on here and it was because Emily was out of this world. I have never considered seeing the same girl twice - I like the excitement of meeting a new girl too much tbh - but for Emily I'll definitely be making an exception. Can't wait to find the time to see her again.
