The Premises:

Brooklyns - well reported on - used smaller room next to reception this time - not as good as the other rooms but still perfectly adequate with shower and DCD available.

The Lady:

Sienna is young, good-looking with a hot body. Slim, blonde, small enhanced boobs done very well.

The Story:

Sienna came in as I was in the shower - I'd ordered the secretary's outfit but she wasn't wearing it - she was clearly very busy and no surprise really given how hot she is. However she looked great in the bra, knickers and pull-ups she was wearing and the first two of these didn't stay on very long and within minutes I was eating and fingering her tight young pussy which was soon dripping wet. Then she returned the compliment and I experienced her renowned oral skills. On with the mac for sex in doggy and mish before some more OWO. The half hour was up all too soon but there was the added bonus of seeing Sienna come out of the shower dripping wet, her glistening body making me wish we could do it all over again - which hopefully one day we will.

Sienna provides a full-on, all action service in which she participates with enthusiasm. She's also very friendly and easy to get along with - no wonder she's never had a negative report. For these reasons she is very popular so you will have to book and expect her to be moving on to the next guy straight away
