The Lady:

I stopped putting fb on here simply because i did not have the time, but Sarina is a special lady. She has the slim body of a model and the boob size of a porn star. Sexy, slim and very clean. Her bum hole and vagina even smelt lovely. Clearly a lady, who is looking after her appearance and body.

The Story:

She was very friendly and up for anything. she does offer a better service than a lot of the girls at this place. She knows what men want and does not say no. She is dirty and very genuine. If you want a non vanilla service go to Sarina. Probably the queen of indian palace at this moment. simply put, she has put a lot of effort in her appearance, her service is that of a porn star and her friendless is that of a gf. top girl.
