The Premises:

Flat a few floors up in a building near to Hilton Metropole hotel off Edgware Rd. Clean, tidy and not too hard to find.

The Lady:

Beautiful Thai girl who is slim, fairly busty and seems younger than most of the girls I have seen. Nomi is very attractive and I looked forward to what lay ahead.

The Story:

Nomi is unbelievable, there really is no other way to say it. Blowjob was excellent getting me warmed up and ready to go, and from there everything was just mindblowing!

Hard fucking in doggy, missionary, and then cowgirl started proceedings, followed by some anal in her nice little hole which she took like a champion!

I finished off with a nice titty fuck before exploding over her tits.

I would see Nomi again and she definitely knew how to satisfy me!
