The Story:

Summer is gorgeous, sexy, naughty, cute, funny, vivacious and a total pleasure to be with. I can't think of any more expletives to describe her. This girl can take a good punishment and thrills at everything you do. If you like submissive girls in a school uniform environment...then this girl is for you. I've been on the scene and met them all...Summer is the best of the best! My favorite hooligan in knickers! I could play with her all day and night! Such a wonderful girl. I want to adopt her! God bless you...yum yum pants!
