### The Premises:

Well reported house in MK with nearby parking. Felt safe and was quiet enough not to feel uncomfortable while the door was answered.

### The Lady:

Parissa is tall and blonde and has an amazing body, great tits and an ass that will live in my memory for some considerable time!

### The Story:

Was kept waiting for a few minutes - a bit of a mix up but well worth the wait. Parissa had me hard in seconds and we enjoyed great french kissing before she got me on the bed and started some great owo. She knows the right things to say and was very complimentary about my size. On to 69 and she tasted great before on with the hood and sex in several positions. From behind looking down on that amazing ass has been stored away in the memory banks!

Thanks Parissa - great experience - would definately recommend
