The Lady:

Thai lady in her 40's, sexy slim body with quite a large pair. Dressed initially in a sexy nurse outfit, this quickly came off to show her great boobs in a bra, with a matching thong.

The Story:

I went for a 1hr massage & 'personal service'. I'd had a long week at work, so wanted a proper massage. Bee spent a good 30mins massaging my back, paying particular attention to my shoulders. During this time, she had stripped her bra off, so was just wearing a skimpy thong. This was a very erotic sensation to be having this excellent massage, whilst feeling her body all over me. It was then time to turn over. I enjoyed kissing (not DFK unfortunately), playing with her boobs, then received covered oral, which was very enthusiastic. We slipped into a 69, and I got a great taste of her pussy and arse hole. She was grinding her pussy & arse into my face during this, which was great.

Onto sex in missionary & cowgirl to completion. Great sexy session, and a great massage.
