The Premises:

Debbie's has changed indoors since my last visit, but it is still where it ever was. The scruffy back yard is still scruffy, but it saves you waiting around on the street. It's a good location - plenty going on, nobody too nosey. And the 2-bedroom set-up works really well: the old waiting room has been converted and the kitchen is now also a waiting area.

The Lady:

Lara is extremely pretty, dark Brunette hair, with a very natural smile and warm manner. She's sweet and loving, petite (5' 1" without heels), with a slender figure: plenty curvy, but not busty. For me, she's virtually perfect.

The Story:

I had read that Lara enjoyed kissing, which not all girls do. And boy can she kiss! We started in the bedroom, stripped off, continued in the shower, scampered back thru the cold hall to the warmer bedroom, and carried on playing there. At my request, most of our time was spent looking after her needs. When it came to my turn to take my pleasure, the experience was really intense. She looks and talks innocent, and she has a playful, loving touch - but also has deep sexpertise. Gorgeous.
