The Premises:

Very clean and tidy basement flat in quiet street off Ken High St and Church St. Lauren's flat has a separate entrance which is well hidden from the street.

The Lady:

Lauren is a lady of a certain age with magnificent boobs which she uses to massage your cock and arse.

The Story:

She certainly deserves her reputation as the queen of OWO. In my opinion she has to be one of the all time greats not only cock sucking (and swallowing) but I don't think I have ever been as hard as after she has rimmed me. Lauren takes great delight in multiple sessions until there is no more! Also a great talker and very good at putting you at your ease helped by a bottle of wine.
