The Premises:

Pokey basement flat with barely enough room to move. Not very well decked out, very basic.

The Lady:

Tall peroxide blonde, bit overweight with chunky things. Not sure where she was from. She was NOT the advertised girl I went to see.

The Story:

Been wanting to see this girl for quite some time but due to a bad experience with this establishment (bait and switch) when they were in South London I have been reluctant. I saw her profile on another website and when I phoned her she assured me it was the her in the pics. She sent me the address it was the same as Beauty Girls' (Garway Road, Bayswater, W2), but I decided to take the plunge anyway.

When I arrived I was greeted by a very tall peroxide blonde. I knew it wasn't the advertised girl so I asked where Amanda was, to which she told me it was her. I mentioned my concerns that she wasn't the advertised girl and she said there was another girl I could see, Camila, so I was introduced to her. She was much younger, no older than 18-20.

Neither of these girls are recognisable from the website. I enquired to the first girl how much OWO and sex was to which she replied ?70, just as I was told on the phone so I opted to see the 2nd girl, but when she came in I was told ?80. Things weren't adding up so I just walked.

Anyway, avoid these girls / places like the plague!
