The Story:

My first ever 2 hour appointment and if I am being honest I was a little bit nervous about it.

No need to be obviously as this was my 3rd or 4th time of seeing Adele and she always comes across as if she is my long lost gf, lol.

Started off with some great DFK, then I actually think I went down on her which is unusual for me but Im pretty sure I made her cum, I really wanted to make her squirt but my technique was crap..... Adele gave me a fantastic blowjob and I really wanted to cum in her mouth here however was really interested in fucking her ass. She bent over and took little Chops right in the back door.... amazing and she begged me to fuck her harder, how could I refuse ?

I have no idea how I didnt cum right there and then however I really wanted to be gentle with Adele and fuck her all night.

We had a rest and a chat and then she really wanted me to cum for her so back on with the rubber, more sex and my god Adele loves sex as much as I do, I eventually managed to cum I think she got some on her sweet face but I'm not too sure.

God knows where that 2 hours went but I know I ended up as a pool of sweat and totally fucked, Im sure she had a good time too !

Will definitely be seeing her again really soon.
