The Premises:

Well known apartment complex in Tovill about 5mins from town centre. Easy to get to, although parking only available on main road. I have visited probably 6-8 different ladies here, sometimes staying, sometimes not, it really is very hit and miss. Safe area and busy. Neighbours must have a clue what goes on in these flats.

The Lady:

5'8", highlighted hair, slim with lovely body, size 8, 34D, wearing a cheap nurse outfit, white stockings, high heels & nothing else.

The Story:

I was pleased initially with her appearance, stripped off and lay down and she offered a massage. This was rubbish which seems to be the norm lately, consisting of running her hands over the same area again & again, no sexual touching. Asked she give my balls a little attention. This was ok. Turned over and oral without was very good. On with condom and sex with me on top to finish. Overall ok, massage was terrible, conversation was no existant, oral was ok. Paid for hour but left after 30mins as no interested in anything further.
