### The Premises:

Well known massage parlour near the train station. Clean and tidy. Easy to find and discreet entrance and very welcoming.

### The Lady:

Very attractive brunette with long hair, very pretty face, slim petite size 8 or 10 with small breasts. Told me her age was 21 and I don't have any reason to doubt it.

### The Story:

Seemed a bit shy and too well spoken to be working in a parlour, to me this was a bit of a turn on. She played with my cock until hard then put on a condom spread her legs for me to fuck her.

I fucked her hard in missionary position and then we switched to missionary position before I could hold back no longer and emptied my load inside her.

All in all an enjoyable fuck!

Just what I needed to restore my faith in parlour sex!!!
