The Premises:

Victoria house is an extremely clean, classy and well known establishment in the East Midlands just off the M1 junction 20, much known to regular readers of punternet reports and clients in general. It is in a safe location with car parking on site or with other local car parks nearby with a discrete side door accessed through an arch for those wanting a quiet entrance/exit! It has a marvellous selection of lovely ladies to choose from offering a wide selection of services (though obviously varying from lady to lady so check up front if there is something specific you want!). The website is informative and gives a good impression of the excellent standards and lovely rooms that I found when I visited.

The Lady:

?Megan? is a gorgeous fit, tanned lovely lady with longish brunette hair, very pretty face, nice firm round kissable boobs, gym toned figure, hypnotic round peachy bum, fantastic juicy pussy and super legs. In short a very attractive lady with a lovely manor and spot on attitude that is a pleasure to have pleasure with!

The Story:

I arrived at VH and was shown the pictures on the wall of the various ladies working that day whilst having a laugh and joke with the two ladies on the reception that descended into me telling some of my rotten old jokes! Amongst all this laughter and frivolity I selected ?Megan?, sorted out the business, was given a coffee, then went to the shower area to put my valuables in a locker and clean up. I made my way back past reception then upstairs where in the lounge area ?Megan? joined me and whisked me into one of the excellent clean well mirrored rooms. We had a laugh and chat and she informed me that she was up for most services though not A-level. We then started with her massaging me that led on to her giving me some excellent OWO in a real porn star style with lots of spitting on my cock, deep throating, ball licking and eye contact, amazing to watch plus fabulous to feel!!! Then I massaged her for a while that led into me riming her peachy firm bum, before she sat completely on my face while I licked her pussy and bum, (wonderful moment). Then she got me really hard with some more OWO before applying a condom a then I slid into her in mish position and began to thrust in a steadily mounting sensation of pleasure, before we moved around to doggie as our coupling became extremely intense with me groping lightly her bum back and tits while watching us in the many mirrors before reaching a pinnacle of pleasure and came in

several big thrusts spurting several bursts of cum into the condom in her tight juicy pulsating pussy!

After a few moments wallowing in the afterglow we started to have a tidy up and chat as she gently removed the condom from my manhood (always a nice touch rather than leaving you to do it yourself with a packet of wet wipes!) however it was time to be on my way so having gone back to the shower area and collected my possessions, showered and dressed I said goodbye took my leave and made my way out of this great pleasure palace.

So to sum up a first class establishment, with a premier league lovely lady, and a wonderful time, leaving a post punt grin all over my face!
