### The Story:

Jennifer arrived on time and looked better than I expected. A chatty girl with a rather unique sense of humour - but we got along. Did DFK but not wholeheartedly as she is not that keen on it. Great OWO and sex though as it took a while second round was not likely and neither she or I initiated. Jennifer has an amazing flawless figure which has me hooked. I highly recommend - was a great find for me and I wasn't too sure if I should share..
