The Premises:

Converted barn in Countryside. Lovely place with a number of well behaved and obedient Alsations.

All very clean and discrete.

The Lady:

Claire is a mid fifties Lady who does amateur Porn.

She kept her slinky dress on throughout our meeting at my request, I find it adds to the naughtiness, but she has a fine body of which many youngsters would be proud.

A natural blonde and neat sweet tasting pussy.

The Story:

Over my 20 years of Punting, I have never come across a Lady who is as open, talented and at home with herself sexually, as Claire.

Though she lives within my search distance from where I live, she didn't appear in my searches as she doesn't offer 15 min quickies, which is what I usually go for.

I do this because I know I cannot cum twice in a short period, I can't afford hourly rates where, in any case, it would be a quick blow job and then wait 40 minutes until I was ready to go again!

However, having had a few disappointments over the past weeks with time wasting escorts, I extended my search to Escorts who didn't specify 15 min quickies on the hope that they might be persuaded.

Well Claire wasn't to be persuaded, but a brief phone call to her and a perusal of her website convinced me that She was something special and so I booked a half hour meeting with her.

Its worth stating at this point that Claire is 56 and though this might be outside of the radar for some punters, I would urge them to think again as she has all the sexual libido of a 20 year old allied with

the sexual experience of a porn star, which she has, and still is!

I want to make this FR more than just a 'then we did this, then we did that' FR, more an encouragement to go and see her.

The reasons to see her are:

The husky, sexy voice.

The most wonderful tight, tidy pussy.

Her oral skills.

The way she orgasms often and regularly, squirting at the same time.

The way she masturbates herself as she comes.

Her attitude to sex: liberated, extremely sexual, up for anything, it seems.

Her looks, voice and her body.

In brief, the moment I walked through the door, she wrapped her arms around me and French kissed me.

She led me upstairs to her bedroom and commented that we should start by getting me undressed.

Seconds later, I was in-between her legs licking, kissing and fingering her blonde pussy. Seconds later, she said she was about to cum and 'slapped' her clit with her palm and gushed violently onto my face. I take no credit for this, it is Claire being totally at ease, though she did say it wasn't usually that quick.

She then laid me down and gave me the wettest, sloppiest, firmest and well timed blow job I have ever had. No just nibbling the head, no limit on how deep, just slow sensual action including deep throat and drooling on my cock.

She timed it just right and knew when to speed up and slow down until I shot spurts of cum into her mouth and, unlike many Ladies, she kept on sucking and licking me until I had finished coming and she came up and we French kissed my spunk, all mixed with the taste of her lipstick.

We rested for a while and I asked if we could play the game of truth. She said this was no problem, she suspected my name wasn't Steve in any case!

She has done amateur porn and once was in a gang bang with 17 men. She loves sex. She loves sex. She loves giving blow jobs. She is bisexual.

She is unbelievable. You must visit her. She knows how to play men: the nervous and the shy, the strong and the pushy ones.

She asked if I was ready for a second go. I doubted it, but she took me in her mouth again and slowly got me hard again, rolled on a condom and straddled me. I asked if we could go in missionary, which we did.

Even though I wasn't fully hard (my fault, age and too much wanking), she soon came with the brief assistance of her 'slapping' palm and squirted over the bed.

I wasn't going to cum again in her pussy, even though she encouraged me and is very tight, so I asked if she could suck me some more and I wanked myself over her open mouth and tongue.

If you go and see her and want to leave a shivering wreck, she will do this. IF you want to leave feeling lover up, she will do this. If you want to leave feeling like the best lover with the biggest cock, she will do this.

What more can I say? Wonderful, is all.
