The Story:

LMP just gets better and better. I started here as an orgy virgin but now I am a regular. The girls make such an effort and strive for a party atmosphere. At the beginning I was a bit shy about the other blokes but now I realise that the best parties are often the full ones and getting a bit of banter going while sharing the delights of the party girls. I think this last time was the best ever, with 8 stunning girls (I got to 7) and a really good group of lads who kept the energy up all the way to the finish line. I am hopeless at remembering the girls' names (my head is swiiming from all the excitement). Most notable last time was a lovely tanned goddess wearing nothing but pearls who - 15 minutes from end when I thought I was spent - pushed me into a chair and delivered one of the best blow jobs I have ever experienced. I am trying to figure out from the website who she is but the pixalation prevents me. I will have to keep going back till I find her. Thank you LMP
