The Story:

Just a fab session with two uber sexy naughty ladies. Lisa is well known but this was Laurens first day and i was knocked out by her. She threw herself into all the naughty proceedings tying my cock and balls up,nipple play, bottom worship on her and when Lisa had finished ravaging my bottom with her fist Lauren took over and fucked my bottom with her fist. Time then for watersports with Lisa unleashing a full bladder before it was Laurens turn though this turned into more of a face sitting,with me licking her lovely pussy which then segued into breath contol. It was time for Lauren to go and finish off with the personal naughties with Lisa. Lisa is a legend but Lauren could be something else too she could make my cock hard at ten paces.
