The Story:

This is my second visit to Lisa and the first was awesome, this was even better. Full on DFK from the start which only stopped during oral or when we did doggie. Oral on me was deep and sensuous and she tasted divine.

Other reports say she is shy - well not in my opinion, she provided a GFE which no girlfriend has ever provided, everything I wanted we did and finished with a shuddering CIM which she swallowed.

I am now looking for her next appearance where I can do it all over again.

I think I'm in love! lol
