Usual, clean place

The Lady:

Pretty face, collagen lips, lovely big breasts, though overall a little heavier than her photos would suggest

The Story:

Really chatty scouser, nice personality, but thats not what you're paying for - only allowed light kissing on the lips, no tongues, and was at times pushing me away when I was trying for more, lay down, 2 min token massage, went in for some kissing again, got same reaction as before, 1 min OWO, spent 3/4 mins licking her out, rubber on, wham bam thank you ma'am. A shame, as I have never had such a sub standard or short service here before
