The Story:

On entering the room Tamara was dressed in a short silk robe, Tamara offered me a towel and shower, and asked me how I wanted her dressed, I'd taken a towel to save laundry. I told her nice lingerie bra+panties, stockings+suspenders and heels. After showering and popping my boxers back on I came out to find Tamara dressed as requested.

Tamara looked stunning, I told her I just had to look at her for a few minutes, to let my eyes drink in her beauty, she walked around the room, pulled a few poses, then stood in front of me, wow.

I asked for a kiss, Tamara gave me a nice F/kiss and rubbed the front of my boxers. She then asked if I'd take a photo of her on her phone, I took a full length photo, she then asked for one of her bum, "try and make it look big" she said "it's for my twitter account" strange I thought most women don't like to think their bums big. Tamara's bum is not big but peachy lovely to look at and run your hands over Mmm.

Still standing we kissed a while, then Tamara rolled down the front of her bra, revealing those lovely tits, I stroked, licked and kissed them for a while.

Tamara now knelt in front of me, she rubbed my cock through my boxers, then peeled them down to my ankles, Tamara now began sucking and licking my cock and balls, her owo is amazing (she took my cock deep throat gaging on it), then returned to licking and sucking, spitting on it to keep it wet and lubed, (I told her deep throat wasn't my fav preferred licking and sucking) Tamara's owo carried on for sometime, with the occasional deep throat+gag, because she said she liked doing it, all the time of owo Tamara kept eye contact with me. I was in seventh heaven, my cock teased rockhard and my balls dancing in delight Mmm!! I began wondering how long I'd last before my balls fired their jizz, concentrate boy, these sensations are pure ecstasy!!.

Just then Tamara's phone rang, "may I get that" she asked, fine by me (Now some may think that bad

form,most escorts put phone on silent and check it after).May well if helped me out a little,allowing my cock to calm down a bit,took only a couple of minutes and as soon as she'd finished Tamara returned to sucking my cock.

After a while Tamara stood up removing her bra I fondled,kissed and licked her tits again.Tamara suggested a change of possition,Standing up removing her panties,then lying full lenght on the edge of the bed with one leg raised,Tamara looked great in just stockings and heels.I was now stood by the edge of the bed,I fed my cock into her mouth she carried on owo,but in this possition I could now caress her breasts and nipples,I licked my fingers and began rubbing and stroking her pussy.

Tamara sat up on the edge of the bed cupping her breasts,"it's time you spunked all over these"she said,she spat on my cock,dribled between her cleavage to provide lube.I put my cock between those wounderful tits,Tamara sqose then tight around my cock,and I began to tit fuck her,Oh the feel of her warm soft skin,whatching my cock move betwwen those firm breasts was heaven,eventually I felt my balls tighten and I shot my spunk all over her tits Wow!!,we now had to make a slightly awkward manoeuvre,to get hold of some wetwipes to clean up before my spunk dripped everywhere.

After cleaning up we lay on the bed for me to catch my breath.Tamara was lying on her back I rolled over onto her,we F/kissed, gently kissed her neck,working my way down to her breasts,kissing,licking and sucking her breasts and nipples until her nipples were standing proud.("Best tit licking I've had in ages"she said).

I now worked my way down her stomach and thighs,kissing and licking,I finally came to the object of my desire,Tamaras pussy Mmm!,I licked it a lot,tasted great,I flicked her clit with my tounge,I rubbed my fingers around on her wettness."Careful babe" Tamara moaned,"bit sensative I had a wank before you got here".I eased off the licking,I inserted one finger into her tight pussy,finger fucked her a little,until I felt her wettness would accept a second finger,slipping both fingers in her pussy felt lovely and tight,I couldn't resist licking and flicking her clit with my tounge at the same time,"Oh careful babe",Tamara moaned again.

With all this my cock had twitched and started to stiffen again,I suggested a 69,which we moved into."your cocks still hard" Tamara said as she began sucking on it,I was now licking her pussy again,in this possition I couldn't put as much effort into it,Tamara seemed happy with that.

After a while I slapped her peachy arse and asked her to turn over.With Tamara on her back I went back to eating her pussy,inserting my fingers and finger fucking her,she moaned a little I felt her pussy tighten and contract on my fingers. "Oh you've made me cum!",she said (like maybe I wasn't sopposed too?).

Whell I love it when I can return some pleasure, I get pleasure myself from giving pleasure. Tamaras climax felt real to me,if not she deserves an oscar.

I now really needed+wanted to fuck Tamara,we popped on a condom,I took her first in missiomary,was fantastic looking down at her pretty face and lovely figure,watching my cock slide in and out of her Oh so tight pussy.After a while I requested a change to doggy,Oh extasy again holding her slim waist,peachy bottom,watching my cock slip up and down her pussy,I was going slowly savouring each stroke,but as I began to build up speed Tamara said "carefull in this possition your big babe"I would of loved to bang her really hard, but as she said that and her pussy felt very tight I slowwed right down.

I now asked Tamara if she'd suck my cock again,Mmm yes she said.I stood up removed the condom,Tamara sat on the edge of the bed again more amazing owo on my cock.

I asked if I could cum on her tits again,we went back to the same possition as before,for another tit fuck until my balls exploded once again covering Tamaras tits in my spunk Mmmm!!..Oh and guess what followed,yep another awkward shuffle for the wet wipes.I took a shower to wash sticky dicky.We chatted while I dressed,I gave Tamara big hug and kiss before leaving.

I remember walking back to my car in a cold wind,thinking was that PSE,I'm not sure where GFE crosses over to PSE..But I certainly felt 100% ball empty satisfied,having been lucky enough to get naked with a pormstar and had what I'll term a PS'naughty'sexy'GFE,Wow!.

What a wounderful way to spend a Wed afternoon,I felt like a king!.

I have since ordered a couple of Tamaras dvd's on the darling media lable,should make great wanking material,and also remind me of that lovely afternoon.

I will certainly try and see Tamara again.
