The Story:

Well, what a treat to hook up again with a legend. I saw Chloe back during the HOD Golden Era around 2008/2009. Always wanted to return but our paths never crossed on the same day. Once I saw she was back on the scene, a trip to MK had to be in order.

Just like the old days, Chloe's service is exquisite, provided with the utmost enthusiasm and passion. Proper, full-on passionate french kissing followed by a vigorous blow-job which nearly had me cumming for the second time that afternoon. I had to fuck her before shooting my load so had her in mish and then doggy. Banging away with that lovely arse in my hands finished me off in no time.

There was still plenty of time left but although seconds was on offer I was drained so we spent the rest of our time chatting away. As others have said, Chloe really is great company, intelligent and fun. Not a hint of clockwatching.

Thanks babe, really good to see you again.
