The Premises:

A nice, clean, flat... with plenty of mirrors! A bit grubby up the stairs, but nice once inside the flat.

The Lady:

Gorgeous. Petite, she only came up to my chest. Small (real) tits, and a very tidy, trim package. She looked the spit of her photos, so if that's not her, it's her twin sister.

The Story:

Fan-tas-tic !

Jenny answered the door in a bra and thong. She was immediately very friendly and tactile, and - even before we'd dealt with the paperwork - she was rubbing her body all over me, stroking my hardening cock through my trousers, and letting me fondle her tits and arse.

Jenny brought me a beer, and encouraged me to take my clothes off; I removed her bra and knickers... and she started sucking my cock.

Excellent deepthroat. Jenny was so small, that my cock (on the larger size, anyway) filled up her mouth and throat, but she still pushed her head down so I could feel my cock slipping down her throat, and Jenny started gagging.

Well, of course, that got me harder, and so I lay on the bed while Jenny slobbered and sucked and licked and gobbled. And I got harder and so we put on a jonny and Jenny climbed on board.

Lovely. Really tight and firm. Jenny bounced up and down on my cock, and I stroked her tits and tried not to cum.

She slipped over doggy style, and I fucked her cunt a bit, while reaching down and getting a nice handful of her natural tits.

I was so turned on, I thought I wouldn't last, so I asked Jenny to pass me the lube... she got the hint, and (staying in doggie) lubed up her arsehole. I grabbed my cock in my right hand, and Jenny's waist in my left, lined up my cock and shoved it up her rectum... absolutely great! She's so small, and so tight, it was the most fantastic feeling. Jenny was moaning and gasping and wriggling, and I could feel her sphincter gripping my cock.

At which point, I flipped her over and buggered her while she was lying on her back. I pulled up her legs and put her ankles on my shoulders, which gave me great access to her arse - really let me shove my cock up her. Jenny was moaning and encouraging me with lots of dirty talk (telling me

how good it felt to have my cock in her arse). She really is a beautiful girl, so it's great to see her spreadeagled on the bed with a cock in her anus.

After a few minutes, I thought I was going to cum, so Jenny jumped up and knelt on the floor, while sucking my cock. Again, of course, brilliant... so brilliant that I controlled myself, and got a fresh condom.

Jenny knelt on the bed, lubed up her arse, and I sodomised her a second time - this time I stood at the side of the bed, while Jenny fucked me with her arse; moving back and forth and stroking my cock in and out of her tight bum. She's probably the smallest girl I've ever fucked, but I bugged her harder than any girl before - really fucked her.

And then... Jenny whipped off the condom, knelt in front of me, opened her mouth, made eye contact and sucked. I couldn't help it. It was so good... I had to shove my cock down her throat again... and Jenny obliged me by lying on her back, putting her head down over the side of the bed, and letting me deep throat her again. ... Well, great, but not, quite, perfect. So... Jenny back on her knees. Back to eye contact. Back to sucking... and I fucked her mouth hard. Then... finally... I pulled back about three inches and wanked myself off.

Jenny kelt there, looking into my eyes, open-mouthed, tongue out, head just a little back... and I finally gave her a decent serving of custard.

But the best... I got a refund !

I had to dash off to get my train... and because I was leaving early, Jenny gave me some of my money back.

Just, simply, fantastic.

I'll be back next week!
