The Premises:

Not especially promising from street level, but Zizzi's flat on the second floor is a nice size and she's made a wonderful effort furnishing it in a colourful and sexy fashion, very indicative of her willingness to please!

The Lady:

A pocket rocket! The definition of cute and petite. Exactly as per photos on site. Lovely pert size B boobs and everything else the definition of pertness. Gorgeous radiant smile that is a window into her personality.

The Story:

Quite simply the best Asian punt I've ever had. I'm a bit of a "male lesbian" in that I'm not into the PSE wham-bam side, but very much relish the foreplay and tender side, and Zizzi provided a perfect GFE. We massaged each other (her skills worthy of a professional masseuse), rubbed oil into each other's skin, kissed deeply many times, and even found time for a soak in her lovely bath. The sex was the icing on the cake and after such intense arousal I didn't need long, but even then managed to enjoy both her pussy and ass. No clock watching in the slightest.

Lovely friendly cuddle to finish as I walked out the door. I couldn't have had a better time really.

Has to be the best Asian escort around. Look after her chaps, she's a gem...
