Nice place welcomed in by friendly receptionist.

### The Lady:

Petit slim size 6, C-D cup boobs. pretty face sexy girl.

### The Story:

Average punt overall, just got the feeling she doesn't really enjoy the job. Having said that she did perform OWO which was good and I performed RO. She did have a lovely pussy and didn't mind me licking it and her ass. Her pussy was tight when I entered her but she refused to let me have her standing up from behind. She also does not kiss or as advertised come on breasts. She could be a really top punt if she let go a little more.
