The Story:

On the way to the airport and fortunately Ego were able to squeeze me in for a cheeky hour with the lovely Annabelle. She, like me, is a little posh - I can picture Annabelle in her jodhpurs and riding hat right now...

Lovely lady, good conversationalist and a very good masseur. Spent just the right amount of time loosening up my back and thighs before flipping me over and getting to work on the fine upstanding member. Eager to learn how best to pleasure me - and then as the pressure started to build, she started to whisper in my ear, in her lovely posh voice, sweet dirty encouragement - public skool girls pronounce "cock" so correctly :)

Giggled as she made my cock erupt, and unlike some, she made sure she squeezed every drop out

A fine interlude and perfect prep for a long flight....
