The Story:

This was a bit of a spur of the moment visit, but I called as I was passing through town and Summer was free so I thought I would give it a try. I'm pleased I did! Was offered a drink upon arrival and had time for a quick freshen up before getting on with the business.

Summer is very friendly and bubbly and did everything possible to make sure I enjoyed myself. Being fairly new to this scene, I needed some help with the equipment and my technique; Summer was only too pleased to assist and put me very much at ease.

I didn't have any particular roleplay thought through in advance so I chose just asked Summer to get changed into a tight sexy outfit and then we could explore things as we went along. I found Summer very submissive and eager to please. She took a hard spanking without any complaint and understood that she needed to obey all my orders at all times.

A large choice of outfits was available and the dungeon was very well stocked; plenty of things to try out here, and Summer didn't refuse anything I asked of her. At the end she was very cheerful and chatty despite it being the end of what had probably been a long day. She's a lovely girl who delivers on her promises and I left very satisfied.
