The Story:

Was taken upstairs by receptionist after handing her the money was told very versatile in the room boy/girlfriend experience. Undressed and sat waiting for what seemed ages infact if i hadnt already paid I would have let myself out.

When Raynor arrived she was very chatty infact dont think she stopped talking even with my cock in her mouth. I asked for a kiss and told that was extra I tried rubbing her pussy and she backed away again told me that this was extra.

Layed on the bed and got a half hearted blow job and she kept saying was what a big cock youve got (i know its big its 10 inches)and it wont fit in my little pussy. When we did get down to it all she kept saying was its too big i got it over with as soon as glad to get out. Infact as i layed there she said there was No wet wipes and only two tissues. Sorry Bay babes think i will be back to Marnie.

Will i go back there not if RAYNOR is on thats for sure.

Probably the worst punt ever that i just had to put it on here .
