The Premises:

Very clean and I felt safe.

The Lady:

She looks like her pictures, but of course a little bit older. Cant really say how old she is, around 30 maybe? Somewhat strange, is that I find her face to be larger than her pictures. I have no idea if that is true, but that was the first thing that popped in my mind. Otherwise, great body, slim and toned. Hard breast though.

The Story:

She is a real performer. Smiles and is very funny. Likes what she does and does very very well. Her English is good, but she didnt understand blow job! I had to explain to her what that was, strange that word never came up earlier. She may not know the term, but she sure can blow! My good, she is good and eager.

We had a long chat about the crazy things she had experienced during her short time in London, and this is the one thing that makes her a star. She says that there is a lot of crazy stuff that she dont like, but since we pay a lot of money, she tries her best to do them and do them with a smile. Good attitude.

Have to mention that the one crazy thing she never did before London was anal, and all the guys in London only wants anal. She finds it very strange, but she has come to love it, says she cums a lot. She even tried to convince me to do anal, and I not an anal guy.
