The Premises:

Great place, easy to find, clean and fairly luxurious. I consider HOD to be an exceptional establishment and will be my default option in London for some time to come.

The Lady:

I didn't think she was as good looking as her photos but nevertheless is very fit. Archetypal Brazilian, exotic skin colour (if that makes sense), great pair of natural tits, shapely figure and a big arse.

The Story:

Lara was dressed in stockings, suspenders and a red basque which is always a winner in my book. Very passionate and its obvious she enjoys sex. Good deep fk, feasted on her tits, she then took charge and provided great owo followed by missionary and doggy. I then returned the favour and was munching away including some facesitting - I could feel her juices flowing but I knew i was running out of time so didn't quite make her cum. Instead we finished with a 69 with cim.

A very energetic and enjoyable session. Overall I'd say not one for the faint hearted. Highly recommend but don't think I'll return as I barely visit London and would like to sample other HOD girls (not to mention a repeat with Misha) and others.
