### The Premises:

A well-reported establishment. A male receptionist this time, which was slightly disconcerting, but he was a pleasant enough chap.

### The Lady:

Mimi is your atypical Thai girl, a former Panpong Bargirl, slightly more busty than your average Asian lady. She had good English levels and proved more than amicable for the session.

### The Story:

Having experienced much of the delights of the Thailand offerings, I would say that Mimi was a slightly bit more than the cut-of-the-run Asian girl. Despite being more expensive than what you could easily get in Nana Plaza, this was more than acceptable for what one can expect in this country.

Mimi was an excellent choice, being meticulous in hygiene and her attention to the customer's needs. Her agility was also admirable as she contorted herself into several enterprising positions. She was amenable to any request and did not prove pretentious in any extravagant way.

If I were to find a negative, I would say that her kissing skills could somewhat improve, as I found this particular feature mostly performed unenthusiastically. Her OWO is to be highly recommended though and I found this an exquisite pleasure, which I could imagine any man indulging in on a frequent basis. Many a position later, things concluded satisfactorily and I was cleaned up by the girl, which I find a neat tender touch. Suitably showered in the well-fitted facilities, I was able to take my leave duly reinvigorated.
